2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a net County cost decrease of \$4,151,000 which is primarily attributable to the deletion of one-time funding for costs related to a litigation settlement and the purchase of a vehicle tracking system, the deletion of 3.0 positions as well as a decrease in Services and Supplies to address the County's projected structural deficit for (FY) 2010-11, and the allocation of labor management savings budget solutions.

PUBLIC PROTECTION				

The Department of Animal Care and Control (Department), operating under State law and County ordinance, provides for public safety in the community through the removal and impoundment of domestic animals and livestock in the unincorporated areas of the County and contract cities. Central to the core mission of the Department are animal sheltering of impounded animals, adoption and placement of available animals, recovery of lost animals, rabies vaccination, and licensing of dogs and cats. The Department also provides for public education programs, spay and neuter surgeries, and evacuation of animals during fires and other emergencies. The Department operates six animal shelters which have veterinary medical clinics as part of their operations. Department costs are partially offset by revenue from pet licenses, income from contract cities, and fees collected for animals in the shelters.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a \$4.0 million decrease in net County cost primarily attributable to reductions needed to address the County's projected deficit and the deletion of one-time funding. The Budget also includes additional expenditures in unavoidable employee benefits costs and services and supplies cost increases.

In addition, 9.0 positions were added, which in the past were traditionally excluded from the budgeted position count. This technical change has no funding impact since funding for these positions has always been included in the budget. The County only changed the method used to account for the number of budgeted positions.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a net County cost decrease of \$971,000. This is primarily attributable to the deletion of 25.0 District Attorney II positions in order to address the County's projected structural deficit for (FY) 2010-11, the deletion of one-time carryover funding and the allocation of labor management savings budget solutions. The Adopted Budget was also impacted by revenue decreases in Prop 172 and other program changes.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a total net budget of \$3.4 billion with 20,248.0 budgeted positions for the Department of Health Services (DHS). The budget also reflects Financial Stabilization Plan savings, including reductions of vacant budgeted positions and other efficiencies, and unspecified net cost reductions as a deficit reduction placeholder to address DHS's 2010-11 funding shortfall.

The 2010-11 Adopted Budget also includes funding for ongoing costs for existing programs, revenue-offset program expansions, and additional staffing at the various County hospitals, health facilities, and central administration in order to achieve departmental priorities and other operational needs. The budget reflects an increase in net County cost (NCC), primarily due to an increase in one-time FY 2009-10 Tobacco Settlement funds for Public/Private Partnership (PPP) program carryover claims; an increase in funds for the HealthNet Managed Care Rate Supplement intergovernmental transfer; and an increase in funds from the Department of Public Health for the transfer of 2-1-1 phone line services, partially offset by a reduction in Vehicle License Fee-Realignment revenue. The 2010-11 Adopted Budget is fully funded with available resources, including \$3.9 million from the DHS designation.

HOMELESS AND HOUSING PROGRAM

FUNCTION	FUND	ACTIVITY
PUBLIC ASSISTANCE	GENERAL FUND	OTHER ASSISTANCE

The Homeless and Housing Program (HHP) was designed to prevent and reduce homelessness in Los Angeles County by using a regional and multi-dimensional approach to increase housing and supportive services for individuals, families, and youth. The HHP continued to implement specific programs in partnership with County departments, the Los Angeles Homeless Services Authority (LAHSA), Community Development Commission (CDC), and various cities. The program focused on preventing and reducing homelessness through the following six strategies: housing assistance to maintain permanent housing; discharge planning at hospital and jails; community capacity building with local housing developers and service providers; regional planning to develop housing resources and service networks; supportive services integration and linkages to housing; and innovative programs for the most vulnerable chronically homeless.

The Adopted Budget also reflects a net decrease of 60.0 positions, including 31.0 positions as a result of the Courts' decision to discontinue building maintenance services provided by ISD, 27.0 vacant positions in alignment with service level demands from customers and the Department's cost-cutting measures, 13.0 net County cost positions to meet the 9% curtailment target, and 2.0 positions transferred back to the Department of Children and Family Services for IT operations, partially offset by the addition of 11.0 positions that were previously excluded from the budgeted position calculation, 1.0 position for the transfer of contract services from the CEO, and 1.0 position for the financial administrative support of the \$50 million in grant awards ISD will receive.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a \$1.7 million net County cost increase primarily attributable to Board-approved increases in health insurance subsidies, staff and operations associated with new and refurbished park facilities, recreation services, and facility improvement and green projects; partially offset by reductions taken to address the Department's FY 2010-11 structural budget deficit and increases in charges for services revenue to address the County's FY 2010-11 budget deficit.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects funding for negotiated salaries and employee benefit increases; partial funding to implement the County's Action Plan, at the various camps, pursuant to the Memorandum of Agreement with the Department of Justice; deletion of one-time State funding for the Adult Day Reporting Center (ADRC) reflecting the end of the three-year pilot project; and one-time federal funding for the Cal-EMA grant program to partially fund and continue the ADRC program and implement the Courage to Change Evidence-Based Practice Model. The Adopted Budget also reflects an increase in revenue related to Title IV-E programs, Medical Administrative Activities and Cost Recovery plus one-time carryover funds for the Juvenile Day Reporting Center and the Van Nuys Child Care Center. In addition, the Adopted Budget reflects a reduction in funding from the Juvenile Justice Crime Prevention Act and from the Juvenile Probation Camp Funding revenue due to the loss of State revenue related to the decrease in State Vehicle License Fee revenue.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a net County cost decrease of \$4.2 million primarily attributable to a reduction of 18.0 positions consisting of 11.0 Deputy Public Defender and 7.0 Administrative Support Staff positions in order to address the County's projected structural deficit for (FY) 2010-11. In addition, the decrease is also attributable to the allocation of labor management savings budget solutions. This is partially offset by an increase in funding to address the Department's structural deficit in Services and Supplies.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects an overall decrease of \$0.9 million in net County cost (NCC), primarily attributable to reductions in NCC related to reductions in State Vehicle License Fees-Realignment revenue, the elimination of one-time funding for various Board and County discretionary projects, and labor management savings budget solutions. The Adopted Budget also reflects a net increase of 81.0 budgeted positions, primarily attributable to a countywide technical adjustment to “no count” positions and the programmatic expansion of the Department’s Nurse -Family Partnership Program; and a net increase in funding to support the Department’s American Recovery and Reinvestment Act grant-funded projects.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects an overall increase in net County cost (NCC) for the Administration and Assistance Budgets.

The Administration Budget reflects an appropriation and revenue decrease primarily due to the expiration of federal stimulus funding through the American Recovery and Reinvestment Act (ARRA) of 2009, in addition to reductions needed to address the County's 2010-11 structural deficit. The overall NCC increase is primarily due to increases in negotiated employee benefits, and unavoidable cost increases.

The Assistance Budget reflects additional funding for increases in the General Relief program, CalWORKs program and In-Home Supportive Services (IHSS) program caseloads. These increases are compounded by a projected decrease in State Sales Tax Realignment revenue, and decreased Federal Medical Assistance Percentage (FMAP) revenue in the IHSS budget, as a result of the aforementioned expiration of ARRA.

TRIAL COURT OPERATIONS

FUNCTION	FUND	ACTIVITY
PUBLIC PROTECTION	GENERAL FUND	JUDICIAL

The Lockyer-Isenberg Trial Court Funding Act (TCFA) of 1997 (Assembly Bill 233, Chapter 850, Statutes of 1997) provides long-term fiscal relief to counties by capping the counties' contribution for court operations. The TCFA requires counties to make an annual Maintenance of Effort (MOE) payment to the State for support of trial courts. The Trial Court Facilities Act (Senate Bill 1732, Chapter 1082, Statutes of 2002) authorized the transfer of responsibility for court facilities from the counties to the State and requires that counties make County Facilities Payment (CFP). This budget also provides funding for certain court-related expenditures such as indigent defense, local judicial benefits, and collection enhancement.

Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed, through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, notes, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a reduction of \$1.9 million and 12.0 budgeted positions, primarily attributable to negative property tax growth and County contribution reduction. The budget also includes deletion of one-time project funding, funding of Board-approved increases in employee benefits, and reflects additions and reduction in funding from various sources based on current information and actual experience.

In addition, 216.0 positions were added, which in the past were traditionally excluded from the budgeted position count. This technical change has no funding impact since funding for these positions has always been included in the budget. The County only changed the method used to account for the number of budgeted positions.

The 2010-11 Adopted Budget reflects a \$2.8 million increase primarily due to increases in fund balance, to be utilized in funding projects in the Traffic Congestion Management Programs, and cancelled designations; partially offset by decreases in sales tax and interest revenues, MTA grants, and Federal Urban Aid. In addition, the 2010-11 Adopted Budget reflects the transfer of infrastructure funding from services and supplies to capital assets-infrastructure pursuant to Local Government Omnibus Act, SB 113.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a \$36.4 million increase primarily due to the receipt of over-realized Proposition 1B revenue for future road infrastructure projects and an increase in fund balance; partially offset by the cancellation of designations. This increase is offset by an increase in operating transfers out to the Internal Service Fund to purchase capital assets-equipment and the establishment of the Proposition 1B designation; partially offset by a reduction in appropriations for contingencies. In addition, the 2010-11 Adopted Budget reflects the transfer of infrastructure funding from services and supplies to capital assets-infrastructure pursuant to Local Government Omnibus Act, SB 113.

FUND		
FUNCTION	PUBLIC WORKS - SOLID WASTE MANAGEMENT FUND	ACTIVITY
HEALTH AND SANITATION		SANITATION

This fund, established by the Board of Supervisors on September 15, 1991 to comply with the mandates of the California Integrated Waste Management Act of 1989 (AB 939), provides for the continual implementation of the Countywide Integrated Waste Management Summary Plan and the Countywide Siting Element; including the Development and implementation of countywide waste reduction programs. Fund requirements are primarily financed by landfill tipping fees, the imposition of a per-parcel service charge on real property in the unincorporated areas, and the Integrated Waste Management Fee imposed on solid waste landfills and transformation facilities.

2010-11 ADOPTED BUDGET

2010-11 ADOPTED BUDGET

This fund consists of appropriation and federal revenue, including Housing and Community Development Act funds required for the Commission's expenses related to housing, redevelopment and community revitalization. The 2010-11 Adopted Budget increased by \$7.3 million. The increase is primarily due to the new Willowbrook Health Facilities and higher activity in the Sound Attenuation program, offset by the completion of Homelessness service projects and delays in County construction projects.

2010-11 ADOPTED BUDGET

This fund consists of appropriation and federal revenue primarily received from the United States Department of Housing and Urban Development (HUD) to fund Housing Authority expenses related to Conventional Housing, Modernization and Rental Subsidy Programs. The 2010-11 Adopted Budget decreased by almost \$11.7 million. The decrease is primarily attributed to the \$5.5 million reduction in activity within the City of Industry funds and lower Community Development Block Grant funding.

REGIONAL PARK & OPEN SPACE DISTRICT SUMMARY

FUND
VARIOUS

This District was established as a result of voters' approval of the Safe Neighborhood Parks Proposition on November 3, 1992, under the provisions of the Landscape and Lighting District Act of 1972 and Section 5506.9 of the Public Resources Code. The District provides for park, recreation and open space capital projects in unincorporated and incorporated areas of Los Angeles County, and is financed with special assessments. On November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition. This second Proposition levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of District revenues for any authorized purpose of the District.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a \$1.5 million increase due to an increase in designations for future program expansion and to mitigate future sewer disposal rate increases, offset by a decrease in services and supplies to better align anticipated expenditures. In addition, the 2010-11 Adopted Budget reflects the transfer of infrastructure funding from services and supplies to capital assets-infrastructure pursuant to Local Government Omnibus Act, SB 113.

The 2010-11 Adopted Budget reflects a \$1.2 million increase primarily due to an increase in designations to fund future infrastructure improvements and utility cost increases; partially offset by a decrease in appropriations for contingencies and in street lighting installation contracts to better align actual anticipated expenditures.

2010-11 ADOPTED BUDGET

The 2010-11 Adopted Budget reflects a \$35.7 million decrease primarily due to revenue decreases in interest earnings, federal and State grants, charges for services; and the transfer of the Water Quality Service Program to the Public Works General Fund. These decreases are fully offset by a reduction in capital assets-land for a one-time land acquisition purchase; decreases in other charges and services and supplies in programming for construction of aesthetic enhancement of flood control facilities and run-off regulation; and a decrease in appropriations for contingencies. In addition, the 2010-11 Adopted Budget reflects the transfer of infrastructure funding from services and supplies to capital assets-infrastructure pursuant to Local Government Omnibus Act, SB 113.

FINAL COUNTY BUDGET
REFERENCE SCHEDULES TO
THE BUDGETARY FINANCIAL STATEMENTS
IN THE COMPREHENSIVE ANNUAL FINANCIAL REPORT
FISCAL YEAR ENDED JUNE 30, 2010

In addition to the Final County Budget, the County also prepares a Comprehensive Annual Financial Report (CAFR), which contains financial statements that have been prepared in accordance with generally accepted accounting principles. Included in the CAFR are budgetary financial statements which have been prepared for certain governmental fund types. Because of the large number of individual funds and budget units, the CAFR financial statements are presented on an aggregated basis to combine funds, also known as fund groups, which are similar in nature.

These reference schedules identify the name of the individual fund or budget unit that makes up the detail for each CAFR fund group at the expenditure level by function. The reference schedule columns are defined below.

- 2010-11 Final Budget Page Reference column represents the detailed budgeted schedules for each fund or budget unit as shown in the 2010-11 Final County Budget Book.
- Adopted Budget column represents the original budget adopted by the County Board of Supervisors as shown in the 2009-10 Final County Budget Book.
- Adjusted Budget column represents the final fiscal year 2009-10 budget as shown in the 2010-11 Final County Budget Book.
- Actual on the Budgetary Basis column represents the actual expenditures, including encumbrances, and the actual revenue as shown in the 2010-11 Final County Budget Book.

The information is presented to demonstrate the budgetary control for each individual fund or budget unit within the fund group for each Statement/Schedule of Revenue, Expenditures, and Changes in Fund Balances - Budget and Actual on a Budgetary Basis as shown in the CAFR.
